

The Been There Marker program has really taken off with new Rail Trails coming on board weekly. We wanted to share with you some of the stories from the Been There Marker Trail Family and the ways they are using their Been There Markers.

Montour Trail Markers Now Available Online

The Montour Trail the "2017 Pennsylvania Trail of the Year" Been There Markers are now available online at the Montour Trail website store at <http://montourtrail.org/>

To find out how the Marker Program can help your Trail and Trail Association in their fundraising efforts, contact Terry at 301.777.0250 or email her at terry@beentheremarkers.com

"They are flying off the shelves" ~Harpers Ferry C&O Canal

Top Donors receive Been There Markers

27 donors who contributed at the \$1,000+ level received a *Been There Markers* from the Newton Trails management to recognize their commitment in making the next funding phase a reality for the newly paved Cricket Trail. A perfect way to say Thank You for your donation where they are already displaying these with Pride.

Cricket Frog Trail

One of the great Trail names. Visit their site if you do not know what a Cricket Frog is or how it gets its name – <http://www.newtontrails.org/cricketfrogtrail>. Make sure you have the sound turned up

Been There Markers at the Canal Boat Captain's Ball

This year the annual Ohio And Erie Canalway's "Canal Boat Captains Ball" had Been There Markers donated to gifts baskets at the silent auction fundraiser. I am sure they are prominently displayed at the lucky bidders home, perhaps on a fireplace mantel or other location of importance.

Our Markers visit Delaware and Lehigh National Heritage Corridor

We have confirmation from several unnamed sources that our Markers may have been the most sought after item at the recent D&L Trail Silent Auction event to help raise much needed funding.
